O ye who believe! obey Allah, and obey His Messenger and those who are in authority among you. And if you differ in anything among yourselves, refer it to Allah and His Messenger if you are believers in Allah and the Last Day. That is best and most commendable in the end. [04:60]

On 17 October 2016, the World Head of the Ahmadiyya Muslim Community, the Fifth

Minister of Canada, Rt Hon, Justin Trudeau at the Prime Minister's Office in Ottawa.

Hazrat Mirza Masroor Ahmad reiterated that all forms of terrorism and extremism

Khalifa (Caliph), His Holiness, Hazrat Mirza Masroor Ahmad was received by the Prime

Hazrat Mirza Masroor Ahmad said:

were not linked to Islam.

"If all Muslims followed the true teachings of their religion then no Muslim would ever be radicalised because the Founder of Islam, the Holy Prophet Muhammad (peace be upon him) said that to love one's nation was a part of Islamic faith. Thus, it is the duty of every Muslim to love his nation, to strive for its betterment and to serve it faithfully. That is why Ahmadi Muslims do not get radicalised because we follow the true teachings of Islam."

Head of the Ahmadiyya Muslim Jamaat urges restraint over Syria and calls for equity and justice

The World Head of the Ahmadiyya Muslim Jamaat and Fifth Khalifa, Hazrat Mirza Masroor Ahmad has spoken with great concern about the potential impact of military intervention in Syria

Hazrat Mirza Masroor Ahmad said:

"The Quran has deemed Muslims as the 'best of mankind' but what good are the Muslim leaders doing in today's world? They neither have a sense of compassion, nor of love and they do not follow Islam's true teachings. There is no sense of honour in them and they seek help from outsiders only so that they can continue to kill their own brethren."

Hazrat Mirza Masroor Ahmad continued:

"Ahmadi Muslims throughout the world must pray for peace and for the world to be saved from all forms of devastation and calamity. We must pray because our master, the Holy Prophet Muhammad (peace be upon him) came only to establish a loving union between man and His Creator and to spread peace on the earth."

His Holiness said:

"Even now the Muslim Governments should demonstrate a sense of honour. Rather than look at their own interests they should seek to prioritise the interest and well-being of the Muslim world. This can only happen when a true fear of God becomes established in the hearts of the governing officials and the citizens of the country and when they come to truly follow the blessed model of the Holy Prophet Muhammad (peace be upon him)."

True Loyalty to One's Nation

It is very easy to simply speak of, or hear the words, 'loyalty and love for one's nation.' However, in reality these few words encompass meanings that are wide-ranging, beautiful and of tremendous depth. Indeed, to fully comprehend and understand what these words truly mean and what they require is actually very difficult. In any case, in the short time available, I will try to explain Islam's concept of loyalty and love for one's nation.

Thus these are just a few aspects of Islamic teachings, which guide all true Muslims towards the real requirements of loyalty and love for one's country. In the time available I have only been able to briefly touch upon this topic.

Address by Hazrat Mirza Masroor Ahmad (aba), Khalifatul Masih V, Head of the world-wide Ahmadiyya Muslim Community, at the Military Headquarters in Koblenz, Germany on 30th May 2012

Today's Friday sermon was delivered by Khalifatul Masih V (May Allah be his Helper) from Baitul Futuh mosque, London. After Tashahhud and Surah Fātiḥah Huzoor preceded that Majlis Ansarullah UK and Lajna Imaillah UK Ijtema is starting from today. The true essence of our Ijtemas is to progress in the relationship with Allah and with another. The spirit of these religious and sport competitions should be with the thought that we have to progress in knowledge and make it a part of our daily lives.

Another important pledge is related to the truthfulness. Every one of us needs to self-audit ourselves as whether we are truly following the commandments or not. Likewise, there is a pledge about the upbringing of children which should be fulfilled with the utmost abilities. The best teaching institution for a child is his/her mother. Thus mothers should work very hard towards it. If all our women or as said by Hazrat Musleh Maud that if 50 per cent of the women ensure righteous up brining of their progeny then this could confirm the protection of the generations and societal reforms. They will be sources of decorating their religion and be the ones who connect to Allah. Likewise it is the duty of the mothers to develop the seed of sacrifice for one's nation/country in their children. They are also responsible to shape their children's minds towards all obligations and needs to obey the laws. Also it is essential for them to help their children differentiate between right and wrong and to help them realize about their role towards the country's development. Also help them connect to the institution of Khilafat. Therefore, every mother should work towards fulfilling her responsibilities and May Allah gives them the strength to do so (Ameen).
