## ROLE OF MANKIND

**Nay, it will come upon them unawares so that it will utterly confound them; and they will not be able to repel it, nor will they be given respite.**

إِذَا زُلْزِلَتِ الْأَرْضُ زِلْزَالَهَا ﴿١﴾ وَأَخْرَجَتِ الْأَرْضُ أَثْقَالَهَا ﴿٢﴾ وَقَالَ  
الْإِنْسَانُ مَا لَهَا ﴿٣﴾ يَوْمَئِذٍ تُحَدِّثُ أَخْبَارَهَا ﴿٤﴾ بِأَنَّ رَبَّكَ أَوْحَى لَهَا ﴿٥﴾  
يَوْمَئِذٍ يَصْطَرِبُ ﴿٦﴾ فَتَادُوا وَأَصَابَهُمْ فِتْنَةٌ ﴿٧﴾ وَأَنَّ الْمَاءَ  
يَوْمَئِذٍ يَكُونُ لِحَبَابٍ مِثْقَالَ ذَرَّةٍ ﴿٨﴾ فَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ  
حَيْرًا يَرَهُ ﴿٩﴾

When the earth is shaken with her violent shaking, And the earth brings forth her burdens, And man says, 'What is the matter with her?' That day will she tell her news, For thy Lord will have revealed about her. On that day will men come forth in scattered groups that they may be shown the results of their works. Then whoso does an atom's weight of good will see it, And whoso does an atom's weight of evil will also see it. {Chapter 99: Az-Zilzal}

## Sayings of The Holy Prophet (SAW)

*Allah will say on the Day of Judgment, 'Son of Adam, I was sick but you did not visit Me.'*

*'My Lord, How could I visit You when You are the Lord of the Worlds?'  
'Did you not know that one of My servants was sick and you didn't visit him? If you had visited him you would have found Me there.'*

*Then Allah will say, 'Son of Adam, I needed food but you did not feed Me.'*

*'My Lord, How could I feed You when You are the Lord of the Worlds?'*

*'Did you not know that one of My servants was hungry but you did not feed him? If you had fed him you would have found its reward with Me.'*

*'Son of Adam, I was thirsty, but you did not give Me something to drink.'*

*'My Lord, How could I give a drink when You are the Lord of the Worlds?'*

*'Did you not know that one of My servants was thirsty but you did not give him a drink? If you had given him a drink, you would have found its reward with Me.'* (Al-Bukhari)

The Head of Ahmadiyya Muslim Community Calls on Muslims to Adopt Precautionary Measures to Curb the Spread of Coronavirus

[More Info](#)

Hazrat Mirza Masroor Ahmad says that Islamic teachings require Muslims to maintain personal hygiene and to avoid unnecessary physical contact

Following the outbreak of the Coronavirus, the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph), His Holiness, Hazrat Mirza Masroor Ahmad has instructed Ahmadi Muslims to adopt all measures recommended by health authorities to help curb the spread of the virus.

Speaking at the Baitul Futuh Mosque in London, during his Friday Sermon delivered on 6 March 2020, His Holiness said that it was appropriate to avoid large gatherings during the current outbreak and instructed Ahmadi Muslims to refrain from attending their Mosques if they developed any symptoms associated with the coronavirus.

**Hazrat Mirza Masroor Ahmad said:**

*“It is very important to act upon the precautionary measures that are being announced [by the health authorities]. Large gatherings should be avoided and those coming to the Mosque should also take special care. If anyone shows any signs of a slight fever, flu or body-ache, sneezing or other symptoms then they should not come to the Mosque. Mosques have rights upon the people that visit them. It is the right of the Mosque that no one should attend who can affect other attendees of the Mosque with a contagious illness. Those with contagious diseases should especially take care to avoid Mosques.”*

**Hazrat Mirza Masroor Ahmad said:**

*“Doctors are advising that hands should be washed regularly and hand sanitisers should be used. If one’s hands are dirty, they should avoid contact with the face until cleaned. This should be followed but, regardless, for us as Muslims, if someone prays five times a day, they will wash themselves properly five times a day through ablution and amongst other things, will be running clean water through their hands and nose, which ensures personal hygiene is maintained at all times and will reduce the need for hand sanitisers that are already reported to be in short supply.”*

**Lajna Imaillah Australia have Honour of Virtual Meeting with World Head of Ahmadiyya Muslim Community**

**More Info**

**“We seek to propagate our faith and to bring other people into the fold of the Ahmadiyya Muslim Community due to our love for other members of society and for our nations.” – Hazrat Mirza Masroor Ahmad**

On 19 December 2020, the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph), His Holiness Hazrat Mirza Masroor Ahmad held a virtual online meeting with the National Amila (Executive) of Lajna Imaillah Australia (Ahmadiyya Muslim Women’s Auxiliary).

His Holiness presided the meeting from his office in Islamabad, Tilford, whilst the Amila representatives were gathered at the Khilafat Hall at the Baitul Huda Mosque complex (national headquarters) at Marsden Park, a suburb in the Greater Sydney region.

**Hazrat Mirza Masroor Ahmad said:**

***“One point I wish to make to all the members of the Lajna administration is that simply to work hard yourself is not representative of true success or excellence. Of course, to personally work hard is a good quality and of value, however if you have not cultivated and developed a team – a second line who can follow you and ensure that the work of your department progresses smoothly after your term ends – it means you have actually not achieved anything at all.”***

**Hazrat Mirza Masroor Ahmad continued:**

***“As I said, to only work hard personally is not the objective, rather your objective is to make such an excellent team so that when your term ends others will be ready to assume the duties of your respective department or office. Regardless of your age, whether you are young or old, you must develop and train others and this spirit of work should be instilled within every office bearer of the Ahmadiyya Muslim Community at every level.”***

**W**aqf-e-Nau Women and Girls from Mauritius have Honour of a Virtual Meeting with the Head of the Ahmadiyya Muslim Community

**More Info**

**During the meeting, His Holiness answered a range of questions pertaining to religious and social issues**

On 20 December 2020, the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph), His Holiness, Hazrat Mirza Masroor Ahmad held a virtual online meeting with female members of the Waqf-e-Nau Scheme from Mauritius.

His Holiness presided the meeting from his office in Islamabad, Tilford, whilst the Waqf-e-Nau members joined from the Darus Salaam Mosque in Rose Hill, which serves as the National Headquarters of the Ahmadiyya Muslim Community in Mauritius.

**Hazrat Mirza Masroor Ahmad said:**

*“Allah has not created anything in vain. No part of creation is useless. For example, a scorpion’s venom has been used in certain medicines . The same is true of snake venom, which has been used in homeopathy. There are other medicines that have been developed using insects or creatures that might otherwise have been considered useless. So there are quite a number of things which though we may not understand their purpose, Allah has instilled within them some purpose and so none of His creation is useless.”*

**Hazrat Mirza Masroor Ahmad continued:**

*“The Promised Messiah (peace be upon him) said that he did not like for parents to unnecessarily scold their children over petty things. Rather he taught they should show patience and should pray for their children that Allah the Almighty may reform them and remove their shortcomings and the problems they have.”*

**Hazrat Mirza Masroor Ahmad** بنظرنا العزيز  
ابن الله تعالى  
**Khalifatul Masih V**

*The Promised Messiah(as) also wrote that one must establish brotherhood amongst themselves and abandon all enmity and mockery. Establish a relationship with God and enter into the fold of His mercy. If one takes it upon himself to fulfil the commandments of God then He will remove hardships from their path. Just as a farmer cares only for those trees of luxuriant growth and bear fruit, and cares not for such trees which are barren and bear no fruit. Thus God cares for those who prove true in striving for His cause and in His way. So eliminate harshness amongst yourselves and establish kindness and compassion.*

*The Promised Messiah(as) said that compassion towards others is a great form of worshipping God. As for those who have been blessed with the grace of God, one of the greatest ways to express gratitude for this is to serve His creation.*

*His Holiness(aba) read another passage in which the Promised Messiah(as) said that our community should be such that it does not limit itself to mere words, but fulfils that true tenants of the pledge of allegiance. If a true inner change is not brought about, then there is no difference between us and others. Just as one goes to the doctor to cure his illnesses, one should seek to attain righteousness with the same urgency.*

## ABOUT The Friday Sermon

**Strive for a Good Ending with Quality  
Worship, Prayers and Good Deeds**

*After reciting the Tashahhud, Ta'awwuz, and Surah Al-Fatihah, Hazrat Khalifatul Masih V(aba) first thanked all those Ahmadis who had expressed their sentiments and prayed with great fervour in light of some injuries His Holiness(aba) endured due to falling. He prayed that may Allah reward everyone abundantly, increase them in sincerity and loyalty.*

*His Holiness(aba) said that in today's day and age, such an example of love can only be found in the love for Khilafat. This love goes both ways. It cannot be said who loves the other more. His Holiness(aba) said that at times it seems that the community's love for Khilafat is at its peak and vice versa. Thus, this love goes both ways. It is such a relationship to which no worldly love can compare.*

*His Holiness(aba) said that a believer shouldn't be like those regarding whom it is said that when they fall into trouble they begin to supplicate and call unto God, but when the hardship is removed, they forget God.*

*His Holiness(aba) said that there are many who debate whether the Coronavirus is a natural calamity or the wrath of God. Such natural calamities which happen during this era of the Promised Messiah(as) which have an aspect of warning, then surely one must turn towards God even more so and supplicate a great deal. His Holiness(aba) said that he has mentioned before that natural disasters are linked with the advent of the Promised Messiah(as). Thus one should pray to God to become righteous and for a good end.*

# Defence Against the Plague and a Criterion for the Elect of God

By Hazrat Mirza Ghulam Ahmad, The Promised Messiah and Mahdi<sup>(as)</sup>

*The third plague pandemic claimed millions of lives in India, and raged with particular intensity in the Punjab province. By 1902, it had encroached within a few miles of the environs of Qadian.*

*Twenty-two years earlier, the Promised Messiah, Mirza Ghulam Ahmad(as) of Qadian, had prophesied the outbreak of such a plague. He boldly proclaimed on the basis of the divine revelation that, as a sign of his truthfulness, God would safeguard Qadian — even though it lay directly in the path of this ravaging disease. The Promised Messiah(as) also pointed out that God had foretold in previous holy scriptures that He would send a severe plague as a warning in the Latter Days, when the Promised Messiah would appear.*

*In Defence Against the Plague, the Promised Messiah<sup>(as)</sup> reviews various proposals put forward to fight the bubonic plague, and then prescribes the true method for deliverance — that people should reform themselves and accept the Promised Messiah(as) commissioned by God.*
